DIRECTORS' REPORT

The Board of Directors of Pervez Ahmed Consultancy Services Limited is pleased to present the Company's un-audited financial statements for the first quarter ended September 30, 2021.

Financial Results of the Company

During the first quarter ended September 30, 2021, the Company suffered a loss of Rs.2.92 million versus profit of Rs 4.38 in the same period of last year. The loss per share for the quarter ended September 30, 2021, recorded at Rs 0.016 as compared to the profit per share of Rs. 0.023 for the same period of last year.

Future Outlook

Instability and uncertainty are prevailing in the local businesses backed by adverse economic circumstances, such as rising inflation and high oil prices. The inflation rate is increasing gradually, and if not controlled this could result in the increase of the policy rate, which could seriously affect the economic activities. Further, it is the time that the policymakers start thinking long term so that businesses can plan over long term horizons.

Acknowledgement

The Board is thankful to its valued shareholders for their confidence in the Company, its clients, the Securities & Exchange Commission of Pakistan and to the management of Pakistan Stock Exchange Limited for their valuable support, assistance and guidance.

For & on behalf of the Board
